

City of Grover Beach

Street Rehabilitation & Repair Program

Your Measure K TAX DOLLAR\$ AT WORK!

Weekly Construction Update: May 7, 2018

The City is continuing the multi-year project to rehabilitate streets utilizing voter approved bond funds generated by Measure K. More information regarding Measure K and future project can be found on the City's website which can be accessed by following this link: <http://www.grover.org/index.aspx?NID=321>.

1. Paving of **South 13th Street**, between West Grand Avenue and Farroll Road, will continue for the next couple of weeks. Work will include removal of the existing asphalt and installation of new base material followed by the application of new asphalt. The road will be closed to thru traffic during the paving operation.

Tentative paving schedule:

- May 7th & 8th: Between Seabright Avenue and Mentone Avenue
 - May 17th & 18th: Between Mentone Avenue and Farroll Road
2. Paving of **3rd Street**, **South 8th Street**, between West Grand Avenue and Farroll Road, **North 16th Street**, between West Grand Avenue and Atlantic City Avenue, **Long Branch Avenue**, between Oak Park Boulevard and South 13th Street, **Mentone Avenue**, and **Newport Avenue**, between Front Street and North 4th Street, is nearing completion. The remaining work, including the installation of asphalt curbs, placement of mailboxes, street signs, and street striping will continue over the next few weeks.
 3. Repaving of **Stinson Court** has been delayed until early 2019 due to expected grant-funded waterline improvements.
 4. New corner ramps and a concrete cross gutter are being constructed on **Long Branch Avenue** at South 4th Street. This intersection will be closed to traffic while the work is being performed.
 5. Over the next two weeks, concrete driveway extensions to the new edge of roadway will be constructed on **Long Branch Avenue** between South 4th Street and South 7th Street.
 6. The next street rehabilitation project, which includes **Ocean View Avenue**, between Front and North 4th Street, **Front Street**, between Ocean View Avenue and N. 1st Street, **Carmelde Lane**, **North 2nd Street**, between Ocean View Avenue and northern City limit is expected to begin by late May.

This status update is intended to inform the public on the status of the Measure K-14 Street Rehabilitation and Repair Project. Field conditions and work progress are monitored daily and are subject to change daily. As a result, the dates indicated in this update are also subject to change. Schedule and location information is most accurate within three weeks of the date of this posting. Information will be updated weekly.
